

Life Transformation Groups Obedience-Based Discipleship

...for everyday personal growth in an organic church

Teams of 2 or 3 meeting weekly (in person/by phone/or email) to share their journey. Multiply whenever a fourth friend is invited.

Share 7 things:

1. What has the "world" been dumping on you this week?
2. What has God been doing/teaching/providing in your life this week?
3. Have you read the complete scripture passage for the week? What was the best thing God communicated to you through it?
4. Who do you want to serve or share Christ with this next week?
_____, _____, _____
5. How Christ-like have you been in the following areas: (Please be authentic as you respond to each item, but avoid sharing inappropriate details, being judgmental, or rationalizing wrong behavior. Speak the truth in love. Encourage one another.)
 Have you gossiped about someone this week?
 Have you been mastered by anything this week (any addictions?)
 Have your words, actions, and treatment of others honored Christ?
 Have you trusted God in a matter rather than worrying?
 Have you had struggles in any specific area this week?

6. Are you practicing being thankful in all things? I Thess. 5:16-18, Romans 8:28

7. Take time to pray for one another about the shared needs and names.
